Moving Your Business Forward

In September 1918, Walter Jacobs had a dream. He borrowed \$2500 and, with 12 Ford Model T's, started the company that is Hertz today. Now, with more than 10,000 locations across 145 countries and six continents, we're the world's most global rental car company.

The Business Partner program offers your small to medium sized business, or businesses with a Membership base a range of competitive rate options and a host of other great benefits whenever you rent a Hertz car in Australia and New Zealand. Our program offers:

No Joining
fee

Competitive
Rates

Modern
Fleet

Locations across Australia

Australia has 68 airport locations and 185 non airport locations across all states and Tasmania.

General and Commercial vehicles

In Australia we have a wide range of vehicles from Economy, Compact, Intermediate, Full Size, Compact SUV, Premium Wagon, Intermediate, Midsize SUV AWD, Luxury 8-seater, Prestige, EV, Hybrid, Premium 4WD, 4WD Utes, Cargo Vans, 12-Seater Minibuses with a full commercial fleet including mine spec vehicles.

Our fleet is constantly expanding and developing to meet the needs of our customers.

Low Emission Vehicles

The Hertz Fleet strategy is to increase the current range of green vehicles to suit the drive to become a cleaner & greener Australia.

The Green Collection will offer a range of fuel-efficient cars perfectly suited to environmentally conscious drivers.

Our fleet has continued to expand with full Electric and more Hybrid vehicles now available.

Quality service and vehicles

Providing a quality driving experience with excellent service is paramount to Hertz Australia. Our selection of low kilometre, late model vehicles not only ensures driver comfort and leading safety technology, it also incorporates the latest fuel consumption and CO2 emission standards.

No Additional Driver free

For business rentals we recognise that there is often a need for multiple drivers.

Discounts around the globe

Not only do we provide competitive rates in New Zealand but we offer 10% off BROD in participating locations in USA/Canada, UK/Europe & Asia.

Hertz Gold Rewards program

You can receive five star status from day one with our premier programme offering, Gold Plus Rewards, which prioritises and streamlines the rental experience for members. When a Gold Plus Rewards member makes a reservation in advance, their car and pre-printed paperwork is waiting for them upon arrival at the rental location; they simply present their driver's licence to uplift the keys to the vehicle.

There are varying levels of the programme, with 'President's Circle' being the most elite. This programme is available throughout our global network.

Minimum Rental Age

Minimum driving age for rentals in Australia is 21 with no underage surcharge for drivers under 24 years

Hertz Toll Product

In Australia you have three options for paying for the Toll's:

- Hertz Toll Day Pass
- Personal E-Tag or E-pass
- Pay Later (invoiced for Toll costs plus a per rental processing fee)

In New Zealand there are currently only three toll roads, and your options are:

- Hertz Toll Pass
- Pay Later (invoiced for Toll costs plus a per rental processing fee)

Method of Payment

Rentals can be paid for by any of the following methods:

- Company or Individual Personal Credit Card; American Express, Visa or Mastercard.
- Hertz Applicant by Credit Card – allows all your rentals to be charged to a central company credit card.
- Hertz Applicant by Invoicing Account – allows all rentals to be charged to a 30-day invoice account, Hertz Criteria must be met & subject to approval.

Refuelling Options

Refuelling facilities are available at all Hertz locations. The vehicle is refuelled at completion of the hire and the appropriate fuel charge is included in the rental invoice. The price charged is calculated to cover the cost of providing this service. Alternatively, you can opt to return the vehicle full.

Hertz also offers FPO (fuel purchase option) which enables the renter to purchase a tank of fuel at reduced retail rates. When FPO is purchased the renter is not required to return the vehicle with a full tank of fuel, thus saving time and money. This is particularly suited to those rentals where there will be high mileage.

24/7 Emergency Roadside Assistance

Hertz 24-Hour Emergency Road Service covers all Hertz vehicles throughout Australia. In the unlikely event of trouble, assistance is a phone call away. Charges may apply.

Reporting & Tracking

Reports can be provided detailing every rental made, total mileage undertaken, driver of the vehicle, type of vehicle booked, length of rental, pick-up locations, drop-off locations and CO2 emissions.

Discounted rates for staff leisure rentals

Staff can access discounted Hertz rates when travelling for leisure in Australia and New Zealand and many countries in our International network. They can also join Hertz Gold Plus Rewards for free. Members receive priority service, experience faster pick-ups and drop-offs and can earn points to use for free rental days.

Hertz Multi Month

Hertz Multi-Month is a flexible and convenient alternative to leasing, catering to your individual and

company needs. You have a choice of renting our latest vehicles from 60 days to 360 days at attractive rates but without the long-term commitment of a lease.

Reasons to consider Hertz Multi-Month:

Hertz Multi-Month is a viable alternative for customers who need a flexible and scalable motoring solution.

Some of the key benefits are:

- Simplified daily and monthly rates
- 3000 Km included per month on all vehicles
- Access to a wide range of Hertz vehicles, from standard passenger cars to Utes and SUVs
- No contract or upfront payments
- No early-return penalties for vehicles returned after 60 days
- No admin fees
- Free additional driver
